AUTHOR PORTFOLIO

PORTFOLIO OVERVIEW

- Development of an **Author Portfolio Website** in **AEM** using **OOTB components** and **custom development**.

- Includes **Homepage, Award, Books, About Me, and Contact Me** sections.

- **Header navigation** with a dropdown for **Books** and dedicated links to key sections.

- **Footer** includes "About Me", "Contact Me" **Books List with hyperlinks** and **Social Media Links**.

- **Homepage** highlights an **award ceremony** using a teaser component.

- **Books Page** features a **custom book component** that fetches book details dynamically

HOME & AWARD PAGE

- The **homepage introduces the author** with a short bio and literary highlights.

- A **teaser component highlights an award ceremony** with an image, title, and CTA.

- The **awards page lists all awards** with titles, years, and significance.

- The layout is **visually structured** for easy navigation and readability.

- This section **engages visitors** with the author's journey and recognitions.

ABOUT & CONTACT PAGE

- The **About Me page utilizes the Author component** to showcase the author's bio.

- It presents **the author's background, inspirations, and literary journey**.

- The **Contact Me page provides contact details, social media, and an inquiry form**.

- Visitors can **easily reach the author through direct communication channels**.

- A user-friendly interface **encourages interaction and engagement**.

BOOK PAGE

- A **custom book component fetches and displays books dynamically** from books page.

- Each book appears as a **card with a title, description, and cover image**.

- Clicking on a book **redirects users to a detailed page about the book**.

- The **grid layout is responsive**, ensuring smooth browsing on any device.

- The book listing is **easily manageable and scalable** for future additions.

HEADER & FOOTER

- The **header includes buttons for Home, Books, About Me, and Contact Me**.
- The **Books button has a dropdown menu**, listing all available books.
- The **footer contains sections for About Me, Contact Me, and a Books list**.
- **Book links in the footer open in a new tab**, allowing easy browsing.
- **Social media icons link to the author's platforms**, ensuring better engagement.
